2	Upper primary level 6th,7th,8th	18901	Eng,	Math,	Urdu	39 in grade 'D'	43% in grade 'D'	35% in grade 'D' the rest of the	
			6382	6343	6176				
3	Total students tested = **39675**								

Learning Outcome/strategies adopted thereof:

1. Schools with low levels of learning distributed among academic monitors for onsite academic support through ABL approach.
2. Stress on training implementation.
3. Student Tracking methods in corporate.
4. Students graded through Bucket system as per different levels.
5. Student's response sheet shared with all stakeholders.
6. Weak students adopted by respective subject teachers and targets set on weekly/fortnight basis.
